## *The Tide That Waits*

Summer's arrived and suddenly you feel like appearing on the beach right away. Well, it might not be in that blink of an eye, but with 50-minute drive, you will reach the nearest beach to Bangkok. Isn't that a good enough deal?

Relaxation shouldn't be complicated and The Tide Resort is simple enough. This premier hotel is located on the lovely Bangsaen beach, the closest beach to Bangkok. Drive along the motorway for less than an hour and anticipate a perfect retreat

out of this elegant resort. The overall ambience is set in stylish earth tone to compliment the blue color of the sea and sky. Each room is decorated with the accent of white, which exaggerates the airy and beachy atmosphere.

# THE TIDE RESORT

The coolest part is that, all rooms face sea view, and the beach is just paces away. Cross the main road in front of the hotel to the clean beach. Even though it's not as private as the snack vendors are allowed, but somehow you can enjoy the pleas-

ant beach more in a lively way.

Back to the hotel, Samutra Spa is another relaxing program you can choose. Enter this old England house and pamper yourself with the authentic herbal spa menu.

Now it's time to feed your stomach. Fusion Restaurant is right there on the ground floor serving international and local specialties. Decibel Karaoke is an entertaining option for you Nightingales.
